Baby Boomer Generation

The Baby Boomer generation has reached senior citizen status and over the coming years, it is estimated that they will bequeath more than 45 trillion dollars.

Life-savings pillaged. Freedom lost. Who will protect us from...
THE GUARDIANS

• An unprecedented shift of wealth will pass from one generation to the next; with this shift comes the temptation and opportunity for appalling greed and cold-hearted abuse.

The Guardians

- Reveals many other stories of widespread abuse happening within the court-appointed guardianship system in Nevada which has enabled those with ulterior motives to nefariously gain control over the lives and estates of some of society's most vulnerable people.

Family Court

- This film investigates allegations of corruption within the Nevada Guardianship and Family Court System and reveals a cautionary tale that transcends time and place.

Wealth and Aging Population

- As our aging population is about to record the largest transfer of wealth in history, we must protect them and their families from those that have been using a broken system to take advantage.
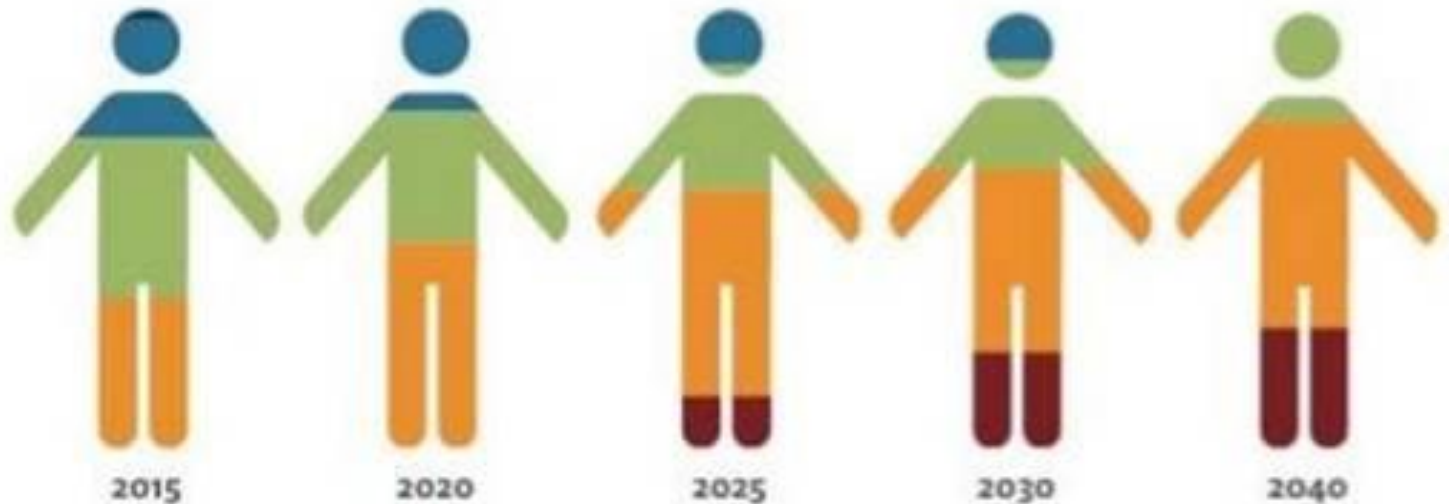

I am thankful for the comfort and joy that money provides me.

THE GLOBAL MILLENNIAL TAKEOVER

2.3 Billion Population worldwide! > Turnover rate twice of older workers > For an organization of 1000s of people the cost of replacing millennials could be millions annually
